NOTES	<p>You are expected to be punctual and to attend all lessons. A delay or early departure will be counted as a half (0.5) day absence. A "delay" means an arrival to the class after the instructor calls rolls. However, any absence, delay, or early departure can be excused if an official document (e.g., doctor's notes) is submitted to your instructor <u>within 7 days</u> of such an occurrence. When you miss a lesson, it is your responsibility to see your instructor afterwards (and perhaps other students who attended the lesson), to find out how to catch up with the work you missed. If you expect to be absent from a forthcoming lesson, you should email your instructor to explain your absence at least one day in advance. The schedule, policies, and procedures in this course are subject to change due to the class progress, weather conditions (e.g., typhoons), etc., and at the discretion of the instructor.</p> <p><b>A maximum of two (2.0) absences is allowed. More than two absences will automatically result in a grade of F (Fail).</b></p>
